The Bulletin of the Association for Business Communication
Index to Volume 56, Numbers 1-4

This index covers Volume 56 of *The Bulletin of the Association for Business Communication*. The first three indexes include articles, columns, and editorials. These indexes are arranged by author, title, and keyword, respectively. The last two indexes list book reviews, arranged first by the book reviewed and then by the reviewer. Items in "News and Notes" are not indexed.

The numbers "56: 2: 37-39: June 1993" represent the volume, issue number, pages, and date respectively. The author index is alphabetized on all the authors. For example, an article with three coauthors will be listed three times, alphabetized under the name of each coauthor.

The title and keyword indexes permit searches on specific topics. The index for *The Bulletin* is published each March for the preceding year.
